Dear Mr. Lee,

Re: Admission to Secondary One 2026/2027

We are impressed by the all-round quality education your school has always been providing to your students and we would like to invite your students to apply for our Secondary One Places for 2026/2027.

Over the years, our school has achieved outstanding results in both academic and extra-curricular areas. As one of the most prestigious schools in Hong Kong, we aim to provide students with an ideal environment, where their talents will be nurtured and their potential will be developed. In our school, students will be able to pursue their ideals and aspirations. Holding strong to our Christian belief, we strive to nurture our students to become responsible global citizens with strong moral values.

I am pleased to inform you that the number of Secondary One Discretionary Places for 2026/2027 is 54. We have enclosed an application form and 15 pamphlets about our school for your perusal. You may advise your students to visit our school website at www.sjc.edu.hk so that they can know more about the application details as well as our school information and students' excellent achievements. A Secondary One Admission Talk will be held on **22 November 2025 (Saturday)** in our school. Parents who are interested can submit their registration via our website for reservation. We may consider holding another identical Secondary One Admission Talk on the same day according to the actual demand and the number of registrations submitted. Please stay tuned to our school website for any updates.

Thank you very much for your help in delivering the information to your students and their parents. You can trust us to continue the quality education that you have been giving to your students.

Please do not hesitate to contact our Vice-Principal, Mr. C. Y. Tam at 3652 4828 or the School Office at 3652 4888 should you have any queries.

Yours sincerely,
